 - Section 2 is approximately 48' long x 5' wide x 4" deep
 - Both sections are marked with white paint
 - Approximately 187' x 5' wide x 4" deep of sidewalk removal and installation in one continuous section along the East side of North 9th Street

- **900 Block of North 11th Street**
 - Approximately 60' long x 5' wide x 4" deep along the West side
 - Approximately 47' long x 5' wide x 4" deep along the East side
 - Both sections are marked with white paint
 - Removal and installation of sidewalk

- **1900 Block of Gartside Street**
 - Approximately 195' long x 5' wide x 4" deep along the North side
 - Approximately 70' long x 5' wide x 4" deep along the South side
 - Both sections are marked with white paint
 - Removal and installation of sidewalk

- Concrete should be 6-bag mix or a minimum of 3000 psi with fiber mesh
- Expansion joints should be placed every 50'
- Control joints should be placed at least every 5'
- Concrete walk should have a broom finish
- Areas surrounding should be backfilled, with grass seed and straw spread, if necessary
- All traffic control, including flaggers if required, must be provided by the contractor
- IDOT permitting, if required, will be the responsibility of the contractor
- All work to be completed in a workman like manner according to standard practices
- Work should be 100% complete no later than April 30, 2015

PREVAILING WAGE:

This contract calls for the construction of a “public work”, within the meaning of the Illinois Prevailing Wage Act, 820 ILCS 130/.01 et seq. (“the Act”). The Act requires contractors and subcontractors to pay laborers, workers and mechanics performing services on public works projects no less than the “prevailing rate of wages” (hourly case wages plus fringe benefits) in the county where the work is performed. For information regarding current prevailing water rates, please refer to the Illinois Department of Labor’s website at <http://www.state.il.us/agency/idol/rates/rates.HTM>. All contractors and subcontractors rendering services under this contract must comply with all requirements of the Act, including but not limited to, all wage, notice and record keeping duties.

LICENSE AND INSURANCE REQUIREMENTS:

The contractor shall maintain, in full force, a City of Murphysboro Contractors License as well as liability and workers compensation insurance to the standard city limitations for construction contracts not less than \$1,000,000. A Certificate of Liability Insurance shall be attached hereto and become part of the contract.

RIGHT TO REFUSE BIDS:

The City retains the right to refuse any and all bids in which the City deems as unqualified. The City of Murphysboro further reserves the right to not award a specific area bid due to funding limitations.

BID SUBMITTAL

Bids and other required documents should be sealed in an envelope and submitted to the City of Murphysboro, Daum Administration Building located at 1101 Walnut Street, Murphysboro, IL 62966 no later than 4:00 p.m. on Monday, February 23, 2015. Envelopes should be clearly marked “Sidewalk Bids” on the outside.
